

NMSurf VOIP Phone Service Pricing:

Business Phone Service

All packages are customized to fit your business needs. NMSurf phone service delivers more functionality than a traditional phone system. Our hosted VOIP solution is a hosted PBX system that allows businesses to streamline how they communicate, featuring lower start-up costs and monthly savings. There is no equipment to buy or lease and no maintenance contracts or fees for account changes. There is a \$5.00 per month discount offered when you bundle with our high-speed internet.

NMSurf Business Phone Services includes 25 features:

- Includes phones (basic models of Cisco, Polycom, Grandstream, and others available)
- Phones with advanced features are available at an increased cost based on the cost of the phone
- Unlimited (United States) local and long-distance calls, including Canada
- Voicemail for each extension
- Auto Attendant
- Call Forwarding
- Speakerphone
- Speed Dialing
- Call Recording
- Internet and External call transfer
- Includes every other common phone system feature and many more
