

NMSURF VOIP Terms of Service:

These Terms and Conditions of Service (the "Agreement") are entered into by and between the subscriber ("you," "your" or "Subscriber") and NMSurf ("NMSurf", "us", or "we"). Please be aware that, any of the following actions, without limitation or qualification, constitutes your acceptance and agreement to be bound by and to comply with all of the terms and conditions of service of this Agreement: (a) your submission of an order; (b) your accepting the terms and conditions electronically during the ordering process; or (c) your use of the Service (as defined herein). Initial charges, including first month service and shipping and handling charges are non-refundable immediately upon submission of an order. This Agreement includes the terms set forth herein, the Acceptable Use Policy, the Privacy Policy, and all other materials specifically referred to in this Agreement, all of which are incorporated herein by reference. This Agreement sets forth the terms and conditions under which you agree to use the Service and covers all or NMSurf's plans. If you do not or are not willing to be bound in its entirety by these terms and conditions of service, do not proceed. Copyright and Licenses: The entire contents of this Agreement, the Services and NMSurf's website are protected under the United States copyright laws. The copyright notices and other proprietary legends shall not be removed from the Services and no right to use any trademark is granted under this Agreement.

PLEASE READ THIS AGREEMENT CAREFULLY TO ENSURE THAT YOU UNDERSTAND EACH PROVISION. THIS AGREEMENT LIMITS THE REMEDIES AVAILABLE TO YOU IN THE EVENT OF A DISPUTE.

1. EMERGENCY SERVICES - 911 DIALING

1.1 911 Dialing.

NMSurf uses the same national 911 network that all traditional telephone companies use. Be aware that 911 Dialing does not function in the event of a power failure or disruption. If there is an interruption in the power supply, the Service, including 911 Dialing, will not function until power is restored. Following a power failure or disruption, you may need to reset or reconfigure the Device prior to utilizing the Service, including 911 Dialing. Service outages or suspensions or disconnections of service by your broadband provider or ISP will prevent all Service, including 911 Dialing, from functioning. Disconnection of your account will prevent all Service, including 911 Dialing, from functioning. Your ISP, broadband provider or other third party may intentionally or inadvertently block the ports over which the Service is provided or otherwise impede the usage of the Service. If you suspect this has happened to you, you should alert us to this situation and we will work with you to attempt to resolve the issue. During the period that the ports are being blocked or your Service is impeded, your Service, including 911 Dialing, may not function. You acknowledge that NMSurf is not responsible for the blocking of ports by any third party or any other impediment to your usage of the Service, and any loss of Service, including 911 Dialing, which may result. In the event you lose service as a result of blocking of ports or any other impediment to your usage of the Service, you will continue to be responsible for payment of the Service charges unless and

until you disconnect the Service in accordance with this Agreement. If there is a Service outage for any reason, such outage will prevent all Service, including 911 Dialing, from functioning. Such outages may occur for a variety of reasons, including, but not limited to, those reasons described elsewhere in this Agreement.

You authorize us to disclose your name and address to third-parties involved with providing 911 Dialing to you, including, by way of illustration but not limitation, call routers, call centers and local emergency centers.

1.2 Registration of Physical Location Required. For each phone line that you utilize with the Service, you must register the physical location where you will be using the Service with us. Your initial location will be registered as a part of subscribing to the Service. It is incumbent on you to confirm the accuracy of your physical address through your online account and update it if you have any changes, additions or transfers of phone numbers. When you move the Device to another location, you must update your location. If you do not update your location, 911 calls you make may be sent to an emergency center near your old address. You may update a location by logging on to your online account. For purposes of 911 Dialing, you may only register one location at a time for each phone line.

1.3 Alternate 911 Arrangements. If you are not comfortable with the limitations of the 911 Dialing service, you should make arrangements for an alternate means of accessing traditional 911 or E911 services or disconnecting the Service. You understand that additional arrangements should be made to access emergency services. To access emergency services, you acknowledge and accept that it is your sole responsibility to purchase, with a third-party separately from NMSurf, traditional wireless or wireline telephone service that offers access to emergency services. You further recognize that NMSurf is not a replacement for your primary telephone service and you are hereby advised to maintain a traditional wireline or wire-based telephone service at all times. By agreeing to these terms of service and by your use of the Device, you acknowledge and accept that the Device may not support or provide emergency service at all times. You represent and warrant to NMSurf that you already have made additional arrangements with a third party to access emergency services.

1.4 Network Congestion. Reduced Speed for Routing or Answering 911 Dialing Calls. There may be a greater possibility of network congestion and/or reduced speed in the routing of a 911 Dialing call made utilizing the Service as compared to traditional 911 dialing over traditional public telephone networks.

1.5 Disclaimer of Liability and Indemnification. We do not have any control over whether, or the manner in which, calls using our 911 Dialing service are answered or addressed by any local emergency response center. We expressly disclaim any and all responsibility for the conduct of such local emergency response centers and the national emergency calling center. We rely on third parties to assist us in routing 911 Dialing calls to local emergency response centers and to a national emergency calling center. We disclaim any and all liability or responsibility in the event such third party data used to route calls is incorrect or yields an erroneous result. Neither NMSurf nor any of its officers, directors, members or employees may be held liable for any claim, damage, or loss, and you hereby waive any and all such claims or causes of action, arising from or relating to our 911 Dialing service unless such claims or causes of action arise from our gross

negligence, recklessness or willful misconduct. You shall defend, indemnify, and hold harmless NMSurf, its officers, directors, members, employees, affiliates and agents and any other service provider who furnishes services to you in connection the Service, from any and all claims, losses, damages, fines, penalties, costs and expenses (including, without limitation, attorney's fees) by, or on behalf of, you or any third party relating to the absence, failure or outage of the Service, including 911 Dialing, incorrectly routed 911 Dialing calls, and/or the inability of any user of the Service to be able to use 911 Dialing or access emergency service personnel.

1.6 Notify All Users. You should inform all household residents, guests and other third persons who may be present at the physical location where you utilize the Service of the important differences in and limitations of 911 Dialing as compared with basic 911 or E911. The documentation that accompanies each Device will include a sticker concerning the potential non-availability of basic 911 or E911 (the "911 Sticker"). It is your responsibility, in accordance with the instructions that accompany each Device, to place the 911 Sticker on each Device that you use with the Service. If you did not receive a 911 Sticker with your Device, or you require additional 911 Stickers, please contact our customer care department.

1.7 Outages due to Electrical, Internet or other General Failures. End-User acknowledges that the Services will not function in the absence of electrical power, access to the Internet or other general failures associated with the VOIP network. End-User acknowledges that the Services will not function if there is an interruption of End-User's broadband or high-speed Internet access service.

1.8 Non-Voice Systems. End-User acknowledges that the Services are not set up to function with out-dialing systems including home security systems, medical monitoring equipment, satellite television systems and some facsimile systems. By consenting to these terms and conditions, End-User waives any claim against Provider for interruption or disruption of such systems by the Services.

2. SERVICE. NMSurf will provide you with digital phone service, subject to the terms and conditions set forth herein (the "Service"). We recommend waiting until the Service is installed and tested for a few weeks before assuming that the Service will be available and of good quality.

3. SUBSCRIBER INFORMATION. You acknowledge that you are eighteen (18) years of age or older, and you agree that you have the legal authority to enter into this Agreement and affirm that the information you supply to us is correct and complete. You understand that NMSurf relies on the information you supply and that providing false or incorrect information may result in Service delays or the suspension or termination of your Service. You agree to promptly notify NMSurf whenever your personal or billing information changes, including without limitation, your name, address, telephone number, and credit card number and expiration date, if applicable.

4. GENERAL PRICING AND FEES. NMSurf prices are shown in the Pricing Schedule and you will be charged based on the Plan and Options you select during the ordering process. A Subscriber who selects a "Month to Month" Plan (a "Monthly Subscriber") will pay the monthly price(s) listed on the Pricing Schedule corresponding to the Plan and Options chosen by such

Such monthly prices for Contract Subscribers are guaranteed for the initial twelve (12) month Term. Following the initial twelve (12) month Term, a Contract Subscriber will automatically become a Monthly Subscriber and will pay NMSurf then current prices, subject to increase as described above, unless such Subscriber registers for a new "1 Year Contract" Plan at such time, to the extent available. A Subscriber who selects a "Prepaid" Plan (a "Prepaid Subscriber") will pay the full amount listed on the Pricing Schedule corresponding to the Plan and Options chosen by such Prepaid Subscriber at the time of order. Following the initial prepaid Term, as defined by the Plan and Options selected, a Prepaid Subscriber will automatically become a Monthly Subscriber and will pay NMSurf then current prices, subject to increase as described above, unless such Subscriber registers for a new "Prepaid" Plan at such time, to the extent available. From time to time NMSurf may offer promotional packages to entice new customers to join. Unless otherwise stated, these promotional packages are not valid for existing customers. In addition to regular fees set forth in the Pricing Schedule, you agree to pay all other charges, including but not limited to network usage, applicable taxes, fees and surcharges, including charges imposed against NMSurf by third party providers that it passes on to you. The taxes and surcharges may vary on a monthly basis and may change at any time without notice; any variations will be reflected in your monthly charge. The current Regulatory Recovery Fee is two dollars (\$2) for all clients. E911 Recovery Fee is ninety-nine cents (\$1) for all clients in the US. NMSurf collects State and Local Services (SLS) Recovery fee for most voice services. This fee is a percentage of billable service, and covers a variety of taxes, surcharges and fees billed by federal, regional and local agencies. The current rate is 11.64%, and is subject to change without notice. When possible, NMSurf will break out such charges on the monthly invoice.

5. PAYMENT, LATE FEES AND OTHER CHARGES. There is no money back guarantee for any Services unless specifically written in a special one-time promotion. There are no pro-rated refunds for unused time. All services will be charged via automatic credit card withdrawal. Unless otherwise stated in the Pricing Schedule, NMSurf will invoice and charge Subscribers monthly. Subscribers are responsible for paying monthly subscription fees while Services are suspended due to non-payment. All disconnected accounts and all accounts suspended for non-payment are subject to a fifteen dollar (\$15.00) reconnection fee. Any requests for a change in telephone number are subject to a fifteen dollar (\$15.00) change fee. Subscribers are responsible for any disputed charges beyond sixty (60) days from the date of the charge. Any account which goes into collection status will be transferred to a collection agency and incur a twenty-five dollar (\$25.00) processing fee and all other applicable fees and charges. Subscribers must pay a twenty-five dollar (\$25.00) service charge on disputed credit cards and credit card chargebacks. Past due accounts will accrue a monthly charge of one and one-half percent (1.5%) of the past due balance or one dollar (\$1.00), whichever is greater.

You are responsible for all charges attributable to your account incurred with respect to the Services. You agree to notify NMSurf immediately, in writing or by calling the NMSurf if you become aware at any time that Services are being stolen or fraudulently used. You are responsible for all usage charges attributable to your account, even if incurred as the result of

fraudulent or unauthorized use by third parties, until you report the theft or fraudulent use of the Services. You are solely responsible for securing all passwords and access numbers to guard against and prevent unauthorized access to Services by third parties. NMSurf, may, but is not obligated to, detect or report unauthorized use or fraudulent use of Services. You agree to save, defend, indemnify and hold NMSurf harmless from all claims, costs, liabilities and damages arising out of such fraudulent use.

6. TERM. This Agreement is effective upon Subscriber's acceptance as provided above and shall continue until terminated by Subscriber or NMSurf pursuant to this Agreement.

7.1 Monthly Subscribers. Each Monthly Subscriber is on automatically renewing monthly terms billed on the anniversary of their service commencement.

6.2 Prepay Subscribers. A Prepay Subscriber pays upfront for a specified term ("Service Term"), including initial taxes and fees. The length of the Service Term is determined by the service package selected by the Subscriber during the sign-up or renewal process. If the Service Term is longer than twelve (12) months, additional taxes and fees will be charged after the initial twelve (12) months have passed. Following the initial Service Term, a Prepay Subscriber will automatically become a Monthly Subscriber.

6.3 Contract Subscribers. A Contract Subscriber is on either a twelve (12) month term or twenty-four (24) month term ("Contract Term") beginning on the day such Subscriber accepts the terms of this Agreement as provided above. The length of the Contract Term is determined by the service package selected by the Subscriber during the sign-up or renewal process. NMSurf provides a 30-day grace period during which penalties will not be assessed for terminating a new contract. Any Contract Subscriber who wishes to change or cancel their service plan during their Contract Term will be assessed a Contract Termination Fee of \$99 per line or the remainder of your contract amount, whichever is less. Following the initial Contract Term, a Contract Subscriber will automatically become a Monthly Subscriber.

7. TERMINATION BY SUBSCRIBER. Subscriber may terminate this Agreement at any time for any reason by providing NMSurf with a thirty (30) day written notice in the form of a valid written termination request and paying all fees and other charges accrued or otherwise payable under the terms of this Agreement. Initial charges, including first month service and shipping and handling charges are non-refundable immediately upon submission of an order. Such thirty (30) day period begins on the date on which NMSurf receives Subscriber's valid written termination request. A Monthly Subscriber's termination will be effective on the later of (a) the end of last day of the calendar month during which such thirty (30) day period ends (e.g., a valid written termination request received by NMSurf any time during January will result in termination effective at the end of February) or (b) the end of last day of the calendar month requested by the Monthly Subscriber. A Contract Subscriber's termination, if received by NMSurf at least thirty (30) days prior to the end of their Contract Term, will be effective at the end of such Contract Term, unless such Contract Subscriber requests an earlier date. Notwithstanding the foregoing provisions of this section 8, if NMSurf receives a written termination request from a Subscriber, NMSurf may, in its sole discretion, terminate this Agreement on a date earlier than the date otherwise prescribed by this section 8. If this Agreement is terminated prior to the end of a Contract Subscriber's Contract Term, such Contract Subscriber must pay, in addition to all fees

and other charges accrued or otherwise payable under the terms of this Agreement, an early termination fee in the amount of ninety-nine dollars (\$99.00) per line ("Early Termination Fee") or the remainder of the contract amount, whichever is less. In the event a Contract Subscriber terminates this Agreement prior to the end of their Contract Term because of a service-related problem not caused by the Subscriber that NMSurf has failed to cure after what NMSurf determines in its sole discretion to be a reasonable amount of time based on the circumstances, the Subscriber is entitled to a waiver of the Early Termination Fee. For such waiver to apply, the reason for the waiver stated above must have occurred before termination and the Subscriber must report such reason for termination to NMSurf in the Subscriber's valid written termination request. NMSurf must in turn be given the opportunity to resolve the problem and the Subscriber must be willing and able to troubleshoot with NMSurf. NMSurf does not monitor Subscriber accounts for activity, and absence of activity or cancellation of a Subscriber's Internet service will never constitute a termination request. A written termination request is valid only if it includes your VOIP phone number, main user-name, date you wish the service to be canceled and is submitted using one of the following approved methods:

- Via email to:
billing@nmsurf.com
- Via mail to:

Upon the termination of a Subscriber's use of the Service, NMSurf has the right to immediately delete all data, files and other information stored in or for the Subscriber's account without further notice to the Subscriber.
